

2025 AUTUMN WINTER DEMONSTRATIONS
26TH NOVEMBER 2.00PM
STELLA PESKETT MILLENIUM HALL, SOUTHWOLD

WITH
LIZ BALKWILL

Artists Statement

I enjoy painting both still-life and the figure and have recently started painting horses at the start of the pandemic (they have become my new figure/portrait subject). No matter what my subject, I endeavour to achieve a good drawing followed by capturing the way that light and shadow fall over a face or figure to convey form. With still-life, I like the way light can convey mood and can transform everyday objects from the mundane to the beautiful.

WORKING WITH PASTELS
