Dear Member,

The three workshops held in the autumn were great fun, another three fabulous workshops are planned for the winter and I hope you will find them of interest.

As usual for this coming season, please send your bookings in early to avoid disappointment. Those of you who have not attended a workshop before will be particularly welcomed. We have limited spaces so that you can have individual input from the tutors.

The workshops will be held at Reydon Village Hall and full details, including a list of what to bring will be emailed or sent to you on receipt of the Booking Form.

Payment should be made in full at the time of booking and is non-refundable, but your cheque will not be banked until the day of the workshop, and of course if the workshop is cancelled at the last minute you will not be charged.

If, at the date of receipt of your booking form, the places are filled, your payment will either be destroyed or, if you wish, held and your name put on a 'reserve' list. If your booking has been confirmed but you are unable to come on the day, do try to find a replacement to come in your place, or contact me as we may have a waiting list.

Please return the attached booking slip with your payment as soon as possible, so that I can confirm your place. Your confirmation letter will normally be sent by email, though if you find you have not received it do check it's not in your junk folder. If you would rather the letter is sent by post or if you are not on email, please enclose a stamped and addressed envelope with your booking form.

Thank you.
Best wishes,
Heather
